

# Calgary MINI Meet November 2005 - Destination Canmore

Total Distance: 200km, Total fuel cost: around \$15, Total fun: LOTS!

Welcome to the November MINI Meet of Calgary! Today's destination is **Canmore's Chez Francois** for lunch/coffee. We'll be heading west at **12:30pm** out of town through **Highway 1A**, and **stopping just outside of Bearspaw** to make sure all the MINIs are bunched up together. Another road side stop will be made after we **pass Cochrane** for the same reason. There will be an opportunity for us to take a group picture and take a little breather at **Ghost Lake**, after that we'll head over to Chez Francois via Highway 1A.

## Some guidelines for this meet:

1. Restrain from scaring other motorists sharing the road with the  superior handling ability
2. If you prefer to drive in a "spirited" fashion, we'll be splitting up into two groups after Ghost Lake; faster  s can go ahead and get to Canmore first. The main group will be driving near the posted speed limits.
3. If you feel that the pace is too fast, signal right and pull over, there is no need to feel pressured into driving faster than you like. Just follow the map to Chez Francois, we'll be there keeping your seat warm!
4. Do not pass the  in front of you unless they want to pull over, this is to minimize the chance of accidents. If you're pulling over and you need help, put on your hazard lights.
5. Try to park neatly and parallel to the  beside you, we'll be taking a lot of pictures along the way and in parking lots.
